Dear Voter,

Tuesday, November 3, 2026, is a day when Americans have the opportunity to participate in an election process that many people throughout the world do not have the chance to experience. Voting is a right that every person in the United States can exercise if they are a registered voter. I encourage everyone to make their voice heard by registering and voting. Polling places will be open from 6:00 a.m. until 7:00 p.m. on Election Day.

Before going to the polls, please refer to the sample ballot within this guide. Contact our office for a sample ballot specifically for your address.

Registered voters are not required to show ID when they vote. However, with new technology in the polling place, showing an ID will help speed up the check-in process.

Don't wait; vote early! Voting early may alleviate a wait in long lines on Election Day to cast your ballot. Early voting is occurring now; locations and times are included in this publication.

This Voter Information Guide is intended to provide you with information to assist you in the election process. Please feel free to contact the County Clerk's office if you have any questions.

I strongly encourage you to exercise your right to vote!

Sincerely,

Dan Hendrickson
