3. Candidates for established political parties appear first on the ballot followed by new political party candidates and finally, by independent candidates. Ballot position within each of these categories is determined by the time of filing. A public lottery determines ballot position when two or more petitions from the same political party are simultaneously filed for the same office. The Kankakee County Clerk will notify candidates involved in the lottery of the time and place the lottery is to be held.

This packet of information is being provided by the Kankakee County Clerk's office as a courtesy to prospective candidates. Information and suggested forms are also available on the Illinois State Board of Elections website at [www.elections.il.gov](http://www.elections.il.gov). It is important to note that Nominating Petition papers are subject to legal challenge by objectors if improperly completed. The Electoral Board, chaired by the County Clerk, holds hearings to consider and resolve these objections. However, please be advised that the County Clerk and staff are not able to provide legal opinions to individuals regarding their petition papers. Prospective candidates are encouraged to consult their own legal advisors on questions related to qualifications for office, preparation of petition papers, circulator requirements, signature requirements, etc., because once the petition papers are officially filed they cannot be changed or amended.
