Explanations

KANKAKEE COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial/Decoration Day, Fourth of July, Labor Day, Veterans Day, Thanksgiving Day, Christmas Day. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration such as the day after Thanksgiving for Veterans Day. If in doubt, please check with IDOL.

FINDINGS OF FACT AND RECOMMENDATION
OF THE KANKAKEE COUNTY ZONING BOARD OF APPEALS

This is the findings of fact and the recommendation of the Kankakee County Zoning Board of Appeals concerning an application by Patricia Jo Graham (applicant & owner) in **ZBA Case No. 09-06**. The applicant is seeking a variance to Section 121.99.E of the Kankakee County Zoning Code to allow the lot width to be reduced from 250 feet to 96.5 feet on Parcel Identification No. 04-01-27-100-030. Said parcel is located in Section 27 of Rockville Township at 3522 E 7940 N Road. See Exhibit A – Location Map (attached herewith).

After due notice required by law, the Zoning Board of Appeals held a public hearing on this case on May 18, 2009 in the County Board Room, 4th Floor, Kankakee County Administration Building, Kankakee, Illinois, and hereby report their findings of fact and their decision as follows:

Site Information: See Staff Report (attached herewith).

Public Comments: There were no objectors present. (See transcripts)

Analysis of Four Standards: After considering all the evidence and testimony presented at the public hearing, the Board makes the following analysis of the four (4) standards listed in Section 17.03.G5 (Standards for Variances) of the *Kankakee County Zoning Ordinance* that must all be found in the affirmative prior to recommending granting of the petition.

- 1. That a particular hardship to the owner would result, as distinguished from a mere inconvenience, if the letter of the regulations were to be carried out.**
The Board finds that the location and configuration of adjoining properties create a hardship on the subject property due to the inability to purchase additional frontage.
- 2. That the conditions for this request are unique to the property in question and would not apply, generally, to other property with the same zoning classification.** The Board finds that the conditions on the property are unique as the property is surrounded by small residentially used lots making the purchase of additional frontage impossible.
- 3. That the granting of the variance would not be detrimental to the public welfare or injurious to the property or improvements in the neighborhood in which the property is located.**
The Board finds that granting this proposed variance would not be detrimental to the public welfare as the property has existed in its current configuration since 1979 with no documented negative effects.
- 4. That the variance will not impair an adequate supply of light and air to adjacent property, substantially increase the congestion of the public street,**

increase the danger of fire, endanger the public safety, or substantially diminish or impair property values within the neighborhood. The Board finds that the proposed variance will not increase the danger of fire or impair the adequate supply of light nor would it endanger the public's safety.

Recommendation: We find that the proposed variances does meet all the standards for recommending granting as found in Section 17.03.G5 of the *Kankakee County Zoning Ordinance* and that such request is in the public interest. Therefore, the Zoning Board of Appeals hereby recommends that the variances regarding the reduction of the front yard setback to nineteen (19') feet hereby be granted.

Roll Call Vote: The roll call vote was seven (7) members for the motion to recommend approval, zero (0) opposed.

Respectfully submitted this 19th day of May, 2009 by the Kankakee County Zoning Board of Appeals.

**FINDINGS OF FACT AND RECOMMENDATION
OF THE KANKAKEE COUNTY ZONING BOARD OF APPEALS**

This is the findings of fact and the recommendation of the Kankakee County Zoning Board of Appeals concerning an application by Kankakee County in **ZBA Case No. 09-07**. The applicant is requesting a text amendment to Sections 121-3.b & 121-208.a.36 of the County Code to allow the construction and placement of small wind energy systems in the II-Light Industrial District.

After due notice required by law, the Zoning Board of Appeals held a public hearing on this case on May 18, 2009 in the County Board Room, 4th Floor, Kankakee County Administration Building, Kankakee, Illinois, and hereby report their findings of fact and their recommendation as follows:

Site Information: See Staff Report (attached herewith).

Public Comments: John Garret, Tony Perry, and Roger Hess offered public comments and asked questions about the operation of these systems. No objectors were present. See Transcript of Hearing (attached herewith).

Analysis of Ten Standards: After considering all the evidence and testimony presented at the public hearing, the Board makes the following analysis of the ten (10) standards listed in Section 17.03.E3 (Standards for Text Amendments) of the *Kankakee County Zoning Ordinance* that must all be found in the affirmative prior to recommending granting of the petition.

- 1. That the proposed rezoning is consistent with the purpose and intent of the Zoning Ordinance.** The Board finds that the proposed text amendment is consistent with the intent of the Zoning Ordinance as it would promote the use of alternative and renewable energy sources. Furthermore, the Board finds that the regulation of these systems will conserve the value of land, buildings and structures within the County.
- 2. That the proposed rezoning is consistent with the goals, objectives, and policies of the County Comprehensive Plan.** The Board finds that the proposed text amendment is consistent with the goals, objectives and policies of the Comprehensive Plan because it reduces the County's reliance on fossil fuel sources and promotes the use of renewable energy.
- 3. Explain how and if all required utilities, drainage, access to public rights-of-way, recreational facilities, educational facilities, and public safety facilities have been or will be provided, and possess adequate capacity or manpower.**

Not applicable.

4. That the proposed rezoning is compatible with the existing uses of property and the zoning classification of property within the general area. Not applicable.
5. That the permitted uses in the zoning classification being requested will not substantially increase the level of congestion on public rights-of-way. Not applicable.
6. That the subject property is suitable for the permitted uses under the existing zoning classification. Not applicable.
7. That the subject property is suitable for the permitted uses under the proposed zoning classification. Not applicable.
8. What is the trend of development, if any, in the general area of the property in question, including changes, if any, which have taken place since the day the property in question was placed in its present zoning classification? Not applicable.
9. Is the proposed rezoning/amendment within one and a half miles of a municipality? Not applicable.
10. Does the LESA report reflect the suitability of the site for the proposed amendment requested and uses allowed therein? Not applicable.

Recommendation: We find that the proposed text amendment requested meets all the standards for recommending granting as found in Section 17.03.E3 of the *Kankakee County Zoning Ordinance* and that such request is in the public interest. Therefore, the Zoning Board of Appeals hereby recommends that the County Code be amended to include the regulations for small wind energy systems.

Roll Call Vote: The roll call vote was seven (7) members for the motion to recommend granting, zero (0) opposed.

**FINDINGS OF FACT AND RECOMMENDATION
OF THE KANKAKEE COUNTY ZONING BOARD OF APPEALS**

This is the findings of fact and the recommendation of the Kankakee County Zoning Board of Appeals concerning an application by Timothy & Tonia Coulter (applicants & owners) in **ZBA Case No. 09-08**. The applicants are seeking a variance to Section 121.99.b.1 of the Kankakee County Zoning Code to allow the lot size to be reduced from twenty (20) acres to fifteen (15) acres. The applicants are also seeking a variance to Section 121.99.g.3 of the Kankakee County Zoning Code to allow the reduction of the rear yard setback to 82 feet instead of the required 100 feet. Both of these variances are being requested on Parcel Identification No. 12-25-11-100-004. Said parcel is located in Section 11 of Aroma Township at 3105 E 7500 S Road. See Exhibit A – Location Map (attached herewith).

After due notice required by law, the Zoning Board of Appeals held a public hearing on this case on May 18, 2009 in the County Board Room, 4th Floor, Kankakee County Administration Building, Kankakee, Illinois, and hereby report their findings of fact and their decision as follows:

Site Information: See Staff Report (attached herewith).

Public Comments: There were no objectors present. (See transcripts)

Analysis of Four Standards: After considering all the evidence and testimony presented at the public hearing, the Board makes the following analysis of the four (4) standards listed in Section 17.03.G5 (Standards for Variances) of the *Kankakee County Zoning Ordinance* that must all be found in the affirmative prior to recommending granting of the petition.

- 1. That a particular hardship to the owner would result, as distinguished from a mere inconvenience, if the letter of the regulations were to be carried out.** The Board finds that the applicant is unable to purchase additional acreage to be compliant with the County Code. Further, the Board finds that the only reasonable location for the proposed addition to the home is on the rear of the building. These fact combine to create a hardship on the property.
- 2. That the conditions for this request are unique to the property in question and would not apply, generally, to other property with the same zoning classification.** The Board finds that the conditions on the property are unique as the property is irregularly shaped and the home is located to the rear of the property.
- 3. That the granting of the variance would not be detrimental to the public welfare or injurious to the property or improvements in the neighborhood in which the property is located.**

██████████ ██████████ ██████████
The Board finds that granting this proposed variance would not be detrimental to the public welfare as the property is located in a low density, predominately agricultural area.

- 4. That the variance will not impair an adequate supply of light and air to adjacent property, substantially increase the congestion of the public street, increase the danger of fire, endanger the public safety, or substantially diminish or impair property values within the neighborhood.** The Board finds that the proposed variance will not increase the danger of fire or impair the adequate supply of light nor would it endanger the public's safety.

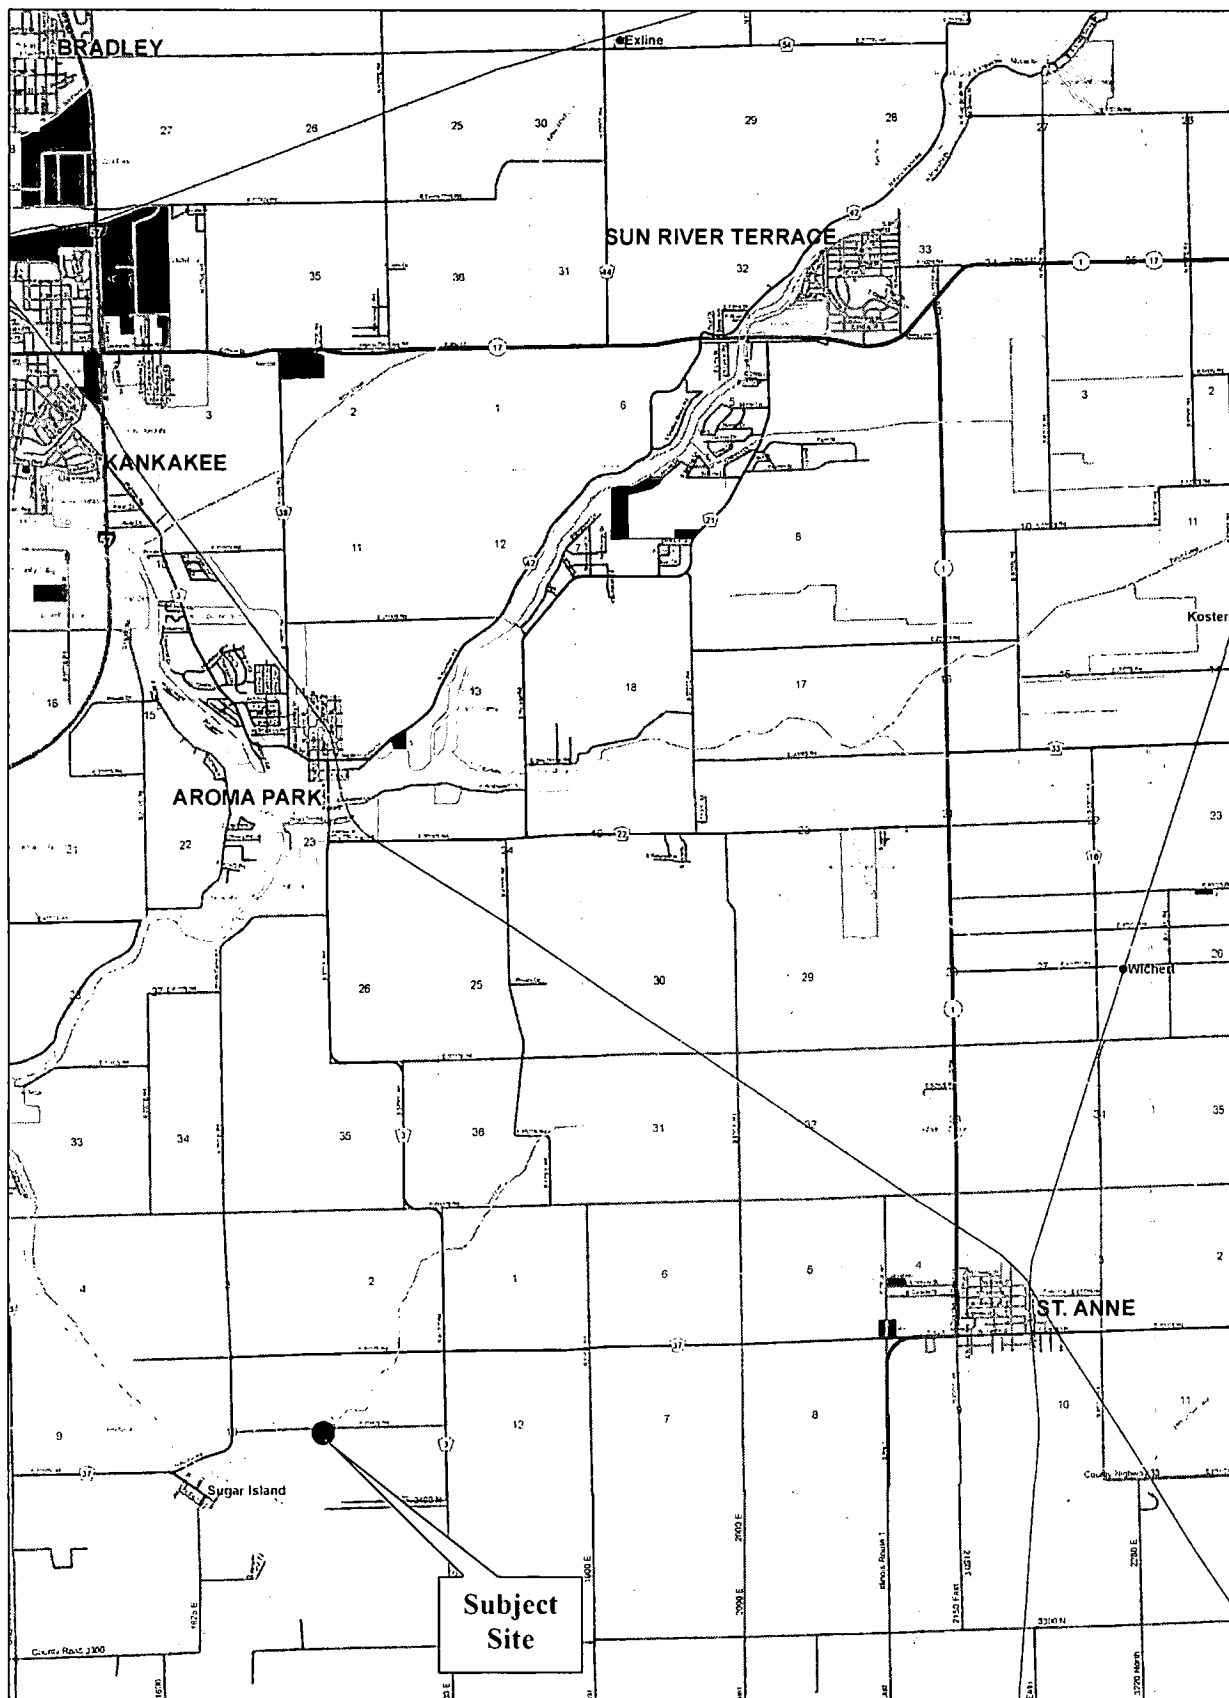

Recommendation: We find that the proposed variances does meet all the standards for recommending granting as found in Section 17.03.G5 of the *Kankakee County Zoning Ordinance* and that such request is in the public interest. Therefore, the Zoning Board of Appeals hereby recommends that the variances regarding the reduction of the front yard setback to nineteen (19') feet hereby be granted.

Roll Call Vote: The roll call vote was seven (7) members for the motion to recommend approval, zero (0) opposed.

Lessee's administrative office address is 24883 Church Street, Chenoa, IL 61726.

1. TERM - The term of this lease is three years from the date the lease is signed. On lease term expiration, the Lessee shall return the vehicles to the Lessor unless the parties hereto enter into a new or renewed lease agreement on or before that date.

2. RENT - The Lessee agrees to pay to Lessor the sum of ~ dollars during the term of the Lease Agreement. However, in consideration of having the use of the vehicles for the term and purposes set out herein, the Lessee agrees as follows:

3. LESSEE'S WARRANTIES - Lessee agrees and warrants that the vehicles have been delivered to Lessee in good operating condition and are free of defects and are suitable for the intended use of the Lessee. Lessee warrants that it and all persons who will operate the vehicles hold currently valid driver's licenses issued by the State of Illinois and that neither Lessee nor such other operators have been convicted of such traffic violations or have such a traffic accident record as would be cause for cancellation of the insurance required hereunder.

4. INSURANCE - Lessee shall supply at its sole expense, and maintain in full force and effect during the term of the lease and thereafter until the vehicles have been returned to the Lessor, a policy or policies of insurance written by a company satisfactory to the Lessor, by the terms of which Lessor and Lessee, together and severally, are named as the insured's and are protected against liability and/or loss

arising out of the condition, maintenance, use, or operation of the vehicles herein leased, in amounts not less than \$3,000,000 combined single limits for property damage, bodily injury, or death; \$350,000 uninsured/underinsured motorists coverage; with deductible amounts not exceeding \$1,000 comprehensive and \$1,000 collision. Such policy or policies of insurance shall provide at least ten days advance notice to Lessor in writing of cancellation or change or modification in any terms, conditions or amounts of coverage provided herein. Lessor shall be provided with a true copy or certificate of such insurance. Should Lessee fail to produce or pay the cost of maintaining in force the insurance specified herein or to provide Lessor with a copy or certificate of such insurance, Lessor may, but shall not be obligated to, procure such insurance and Lessee shall reimburse Lessor on demand for the cost thereof. Suffering lapse or cancellation of the required insurance shall be an immediate and automatic default by Lessee hereunder.

5. INDEMNITY - Lessee agrees to indemnify and hold Lessor free and harmless from any liability, loss, cost, damage, expense, including attorney's fees, which Lessor may suffer or incur as a result of any claims which may be made by any person or persons, including but not limited to Lessee, its agents and employees, that arise out of or result from the manufacture, delivery, actual or alleged ownership, performance, use, operation, selection, leasing and/or return of the vehicles, whether such claims are based on negligence, whether of Lessor or another, breach of contract, breach of warranty, absolute liability or otherwise.

6. TITLE - This instrument is a lease and not an installment contract. The vehicles are the sole property of the Lessor and Lessee shall insure that Lessor is named as owner on any certificate of title issued with respect to the vehicles. Lessee shall have no right, title, or interest in or to the vehicles except for the right to operate and use the vehicles for the purposes stated herein and not as the agent of Lessor, so long as Lessee is not in default under the terms of this lease.

7. USE BY LESSEE - Lessee agrees to use the vehicles only for lawful purposes. Lessee agrees not to assign, transfer or sublet its rights or otherwise encumber its interest hereunder. In the event Lessee fails to pay any assessment, tax, lien or fine levied against the vehicles, Lessor may, at its election, make such payment and Lessee shall reimburse Lessor on demand. Lessee shall indemnify and hold Lessor harmless from any and all fines, forfeiture, damages, or penalties resulting from violations of any law, ordinance, rule, or regulation.

8. MAINTENANCE - Lessee shall keep and maintain the vehicles in good operating condition and working order as required in the maintenance program described in the Owner's Manual and shall perform all protective maintenance required to insure full validation of the manufacturer's warranty. Such maintenance hereinbefore described shall be made at the Lessee's expense.

9. LICENSE, TAXES, AND OTHER EXPENSES - Lessee agrees to pay all costs, expenses, fees and charges incurred in connection with the licensing and registration of said vehicles, of title thereto and in connection with the use and operation thereof during the term of this lease, including without limitation, gasoline, oil, lubrication, repairs, maintenance, tires, storage, parking, tools, fines, towing, servicing costs, as well as all sales taxes, use taxes, personal property and other ad valorem taxes and all assessments and other governmental charges whatsoever and by whomsoever payable on the said vehicles or on the use, ownership, possession, rental, shipment, transportation, delivery or operation of same. Lessor shall in no way be obligated to maintain, repair or service said vehicles.

10. TERMINATION - This lease agreement may be terminated by the Lessor in the event one or more of the terms of this lease agreement is breached by the Lessee or the Lessee is in default as provided in the lease agreement. Upon the discovery of the breach or default, as the case may be, the Lessee shall surrender the vehicles to the Lessor on demand. Lessee shall remain liable and responsible for any pending claims, maintenance, repairs, taxes, licenses, and any other expenses associated with Lessee's use of the vehicles.

11. DEFAULT - In the event that the Lessee does not pay any charge, expense, or cost herein agreed to be paid by Lessee when due, or fails to obtain or maintain any insurance required by this Lease, or violates or fails to perform or otherwise breaches any undertaking or covenants contained in this Lease, or any other Lease or Lessor, or becomes insolvent or makes an assignment for the benefit of creditors, or files a voluntary petition in bankruptcy, or if any voluntary petition in bankruptcy is filed against the Lessee, or other proceeding for the appointment of a receiver for Lessee is filed, or if proceedings for reorganization, extension and/or composition with creditors under any provision or federal law be instituted by or against Lessee, or if the property of Lessee be levied upon or if Lessor should otherwise deem itself or the vehicles unsafe or unsecured or should Lessor in good faith believe that the prospect of payment of rental or other payment or other performance by Lessee is impaired, then and in any such event, the Lessee shall be deemed in default of this Lease. Upon the occurrence of any such default, Lessor may, at its option and without notice or demand, declare this agreement in default and thereupon the vehicles and all rights of Lessee therein shall be surrendered to Lessor and Lessor may take possession of the vehicles wherever found, with or without process of law, and for this purpose may enter upon any premises of Lessee or wherever the same be found, without liability therefore. The Lessor may retain all rentals and payment and resale proceeds theretofore received and other sums, if any, otherwise payable to the Lessee hereunder and the Lessor shall be entitled to recover from Lessee any unpaid charges for the balance of the lease term for the vehicles and all other sums, if any, due to come due, together with all costs and expenses, including reasonable attorney's fees, incurred by Lessor in the enforcement of its rights and remedies hereunder. The repossession and sale of the vehicles by Lessor shall not affect Lessor's right to recover from Lessee all damages which Lessor may have suffered by reason of Lessee's breach of any provision of this Lease and Lessor may sell any such vehicles with or without advertisement, at public or private sale and without notice thereof to Lessee. The rights and remedies of Lessor in the event of default herein mentioned shall not be deemed exclusive but shall be cumulative and in addition to all other rights and remedies in Lessor's favor existing by law.

12. APPLICABLE LAW - This Lease has been executed by the Lessee and delivered to the Lessor at the Lessor's offices in Kankakee, Illinois, and it shall be governed by and interpreted under the laws of Illinois.

13. LOCATION - The vehicles shall be principally kept or garaged where not in use at the Lessee's garage address in Kankakee County or at such other address in the State of Illinois as the Lessee shall give Lessor written notice of. The vehicles shall not be removed from the State of Illinois, except for trips of short duration, without the prior written consent of Lessor.

14. MISCELLANEOUS - This instrument constitutes the entire agreement between the parties and shall be binding upon the parties and their respective heirs, executors, administrators, successors or assigns and shall only be amended by a written instrument signed by the parties hereto. Any waiver of the performance of any of the terms, covenants or conditions by either party shall not be construed as

waiving any such terms, condition or covenants, but the same shall remain in full force and effect, as if no such waiver had occurred.

15. **SEVERABILITY** - This agreement is severable, and the invalidity, or unenforceability, of any provision of this Agreement, or any party hereof, shall not render the remainder of this Agreement invalid or enforceable.

16. **AMENDMENTS** - This agreement may be amended by the mutual written consent of both parties.

17. **COUNTERPARTS** - This lease agreement shall be executed in multiple counterparts, each of which shall constitute a duplicate original.

IN WITNESS WHEREOF, the parties hereto have executed this lease on the date first above written, and the Lessee acknowledges receipt of a completely filled-in, fully executed counterpart.

Lessee's administrative office address is 24883 Church Street, Chenoa, IL 61726.

1. TERM - The term of this lease is three years from the date the lease is signed. On lease term expiration, the Lessee shall return the vehicles to the Lessor unless the parties hereto enter into a new or renewed lease agreement on or before that date.

2. RENT - The Lessee agrees to pay to Lessor the sum of ~ dollars during the term of the Lease Agreement. However, in consideration of having the use of the vehicles for the term and purposes set out herein, the Lessee agrees as follows:

3. LESSEE'S WARRANTIES - Lessee agrees and warrants that the vehicles have been delivered to Lessee in good operating condition and are free of defects and are suitable for the intended use of the Lessee. Lessee warrants that it and all persons who will operate the vehicles hold currently valid driver's licenses issued by the State of Illinois and that neither Lessee nor such other operators have been convicted of such traffic violations or have such a traffic accident record as would be cause for cancellation of the insurance required hereunder.

4. INSURANCE - Lessee shall supply at its sole expense, and maintain in full force and effect during the term of the lease and thereafter until the vehicles have been returned to the Lessor, a policy or policies of insurance written by a company satisfactory to the Lessor, by the terms of which Lessor and Lessee, together and severally, are named as the insured's and are protected against liability and/or loss

arising out of the condition, maintenance, use, or operation of the vehicles herein leased, in amounts not less than \$3,000,000 combined single limits for property damage, bodily injury, or death; \$350,000 uninsured/underinsured motorists coverage; with deductible amounts not exceeding \$1,000 comprehensive and \$1,000 collision. Such policy or policies of insurance shall provide at least ten days advance notice to Lessor in writing of cancellation or change or modification in any terms, conditions or amounts of coverage provided herein. Lessor shall be provided with a true copy or certificate of such insurance. Should Lessee fail to produce or pay the cost of maintaining in force the insurance specified herein or to provide Lessor with a copy or certificate of such insurance, Lessor may, but shall not be obligated to, procure such insurance and Lessee shall reimburse Lessor on demand for the cost thereof. Suffering lapse or cancellation of the required insurance shall be an immediate and automatic default by Lessee hereunder.

5. INDEMNITY - Lessee agrees to indemnify and hold Lessor free and harmless from any liability, loss, cost, damage, expense, including attorney's fees, which Lessor may suffer or incur as a result of any claims which may be made by any person or persons, including but not limited to Lessee, its agents and employees, that arise out of or result from the manufacture, delivery, actual or alleged ownership, performance, use, operation, selection, leasing and/or return of the vehicles, whether such claims are based on negligence, whether of Lessor or another, breach of contract, breach of warranty, absolute liability or otherwise.

6. TITLE - This instrument is a lease and not an installment contract. The vehicles are the sole property of the Lessor and Lessee shall insure that Lessor is named as owner on any certificate of title issued with respect to the vehicles. Lessee shall have no right, title, or interest in or to the vehicles except for the right to operate and use the vehicles for the purposes stated herein and not as the agent of Lessor, so long as Lessee is not in default under the terms of this lease.

7. USE BY LESSEE - Lessee agrees to use the vehicles only for lawful purposes. Lessee agrees not to assign, transfer or sublet its rights or otherwise encumber its interest hereunder. In the event Lessee fails to pay any assessment, tax, lien or fine levied against the vehicles, Lessor may, at its election, make such payment and Lessee shall reimburse Lessor on demand. Lessee shall indemnify and hold Lessor harmless from any and all fines, forfeiture, damages, or penalties resulting from violations of any law, ordinance, rule, or regulation.

8. MAINTENANCE - Lessee shall keep and maintain the vehicles in good operating condition and working order as required in the maintenance program described in the Owner's Manual and shall perform all protective maintenance required to insure full validation of the manufacturer's warranty. Such maintenance hereinbefore described shall be made at the Lessee's expense.

9. LICENSE, TAXES, AND OTHER EXPENSES - Lessee agrees to pay all costs, expenses, fees and charges incurred in connection with the licensing and registration of said vehicles, of title thereto and in connection with the use and operation thereof during the term of this lease, including without limitation, gasoline, oil, lubrication, repairs, maintenance, tires, storage, parking, tools, fines, towing, servicing costs, as well as all sales taxes, use taxes, personal property and other ad valorem taxes and all assessments and other governmental charges whatsoever and by whomsoever payable on the said vehicles or on the use, ownership, possession, rental, shipment, transportation, delivery or operation of same. Lessor shall in no way be obligated to maintain, repair or service said vehicles.

10. TERMINATION - This lease agreement may be terminated by the Lessor in the event one or more of the terms of this lease agreement is breached by the Lessee or the Lessee is in default as provided in the lease agreement. Upon the discovery of the breach or default, as the case may be, the Lessee shall surrender the vehicles to the Lessor on demand. Lessee shall remain liable and responsible for any pending claims, maintenance, repairs, taxes, licenses, and any other expenses associated with Lessee's use of the vehicles.

11. DEFAULT - In the event that the Lessee does not pay any charge, expense, or cost herein agreed to be paid by Lessee when due, or fails to obtain or maintain any insurance required by this Lease, or violates or fails to perform or otherwise breaches any undertaking or covenants contained in this Lease, or any other Lease or Lessor, or becomes insolvent or makes an assignment for the benefit of creditors, or files a voluntary petition in bankruptcy, or if any voluntary petition in bankruptcy is filed against the Lessee, or other proceeding for the appointment of a receiver for Lessee is filed, or if proceedings for reorganization, extension and/or composition with creditors under any provision or federal law be instituted by or against Lessee, or if the property of Lessee be levied upon or if Lessor should otherwise deem itself or the vehicles unsafe or unsecured or should Lessor in good faith believe that the prospect of payment of rental or other payment or other performance by Lessee is impaired, then and in any such event, the Lessee shall be deemed in default of this Lease. Upon the occurrence of any such default, Lessor may, at its option and without notice or demand, declare this agreement in default and thereupon the vehicles and all rights of Lessee therein shall be surrendered to Lessor and Lessor may take possession of the vehicles wherever found, with or without process of law, and for this purpose may enter upon any premises of Lessee or wherever the same be found, without liability therefore. The Lessor may retain all rentals and payment and resale proceeds theretofore received and other sums, if any, otherwise payable to the Lessee hereunder and the Lessor shall be entitled to recover from Lessee any unpaid charges for the balance of the lease term for the vehicles and all other sums, if any, due to come due, together with all costs and expenses, including reasonable attorney's fees, incurred by Lessor in the enforcement of its rights and remedies hereunder. The repossession and sale of the vehicles by Lessor shall not affect Lessor's right to recover from Lessee all damages which Lessor may have suffered by reason of Lessee's breach of any provision of this Lease and Lessor may sell any such vehicles with or without advertisement, at public or private sale and without notice thereof to Lessee. The rights and remedies of Lessor in the event of default herein mentioned shall not be deemed exclusive but shall be cumulative and in addition to all other rights and remedies in Lessor's favor existing by law.

12. APPLICABLE LAW - This Lease has been executed by the Lessee and delivered to the Lessor at the Lessor's offices in Kankakee, Illinois, and it shall be governed by and interpreted under the laws of Illinois.

13. LOCATION - The vehicles shall be principally kept or garaged where not in use at the Lessee's garage address in Kankakee County or at such other address in the State of Illinois as the Lessee shall give Lessor written notice of. The vehicles shall not be removed from the State of Illinois, except for trips of short duration, without the prior written consent of Lessor.

14. MISCELLANEOUS - This instrument constitutes the entire agreement between the parties and shall be binding upon the parties and their respective heirs, executors, administrators, successors or assigns and shall only be amended by a written instrument signed by the parties hereto. Any waiver of the performance of any of the terms, covenants or conditions by either party shall not be construed as

waiving any such terms, condition or covenants, but the same shall remain in full force and effect, as if no such waiver had occurred.

15. **SEVERABILITY** - This agreement is severable, and the invalidity, or unenforceability, of any provision of this Agreement, or any party hereof, shall not render the remainder of this Agreement invalid or enforceable.

16. **AMENDMENTS** - This agreement may be amended by the mutual written consent of both parties.

17. **COUNTERPARTS** - This lease agreement shall be executed in multiple counterparts, each of which shall constitute a duplicate original.

IN WITNESS WHEREOF, the parties hereto have executed this lease on the date first above written, and the Lessee acknowledges receipt of a completely filled-in, fully executed counterpart.

Dear Mr. St. Germaine:

On behalf of the Kankakee County Board, I wish to thank you for your help in assisting us with the sale of our property on Court Street between the Post Office and the Baptist Church.

Your appraisals were invaluable to us in consummating the sale. We were successful in selling the property and we found your appraisal of the property value to be right on line. If we had more citizens like you to help with the County's business, it would be much easier to carry out our responsibilities.

Thank you again.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

With regard to this Employee Theft – Name Or Position Schedule Endorsement, the provisions of the coverage form or policy to which this endorsement is attached apply, unless modified by this endorsement.

1. The following insuring agreement is added to Section **A. Insuring Agreements**:

We will pay for loss of or damage to "money", "securities" and "other property" resulting directly from "theft" committed by an identified "employee", acting alone or in collusion with other persons.

2. Section **B. Limit Of Insurance** is replaced by the following:

- a. The most we will pay for all loss resulting directly from an "occurrence" is the applicable Limit of Insurance shown in the Schedule:

- b. Regardless of the number of years this insurance applies as respects a specific "employee", the most we will pay in the aggregate is the largest Limit of Insurance applicable to that "employee" even though:

- (1) The coverage for that "employee" is not continuous because it has been cancelled for one or more periods; or

- (2) The Limit of Insurance applicable to that "employee" has changed.

- c. If this insurance applies on a Position Schedule basis, the following conditions also apply:

- (1) The most we will pay for an "employee" serving in more than one position is the largest Limit of Insurance in effect and applicable to any one of those positions at the time loss is "discovered".

- (2) If at the time loss is "discovered" there are more "employees" serving in a covered position than the number of "employees" listed opposite that position in the Schedule, the Limit of Insurance applicable to that position will be reduced.

The reduced Limit of Insurance will be computed by multiplying the limit shown in the Schedule by a factor obtained by dividing the number of "employees" shown in the Schedule by the actual number of "employees" serving in that position at the time loss is "discovered".

3. Section **C. Deductible** is replaced by the following:

We will not pay for loss resulting directly from an "occurrence" unless the amount of loss exceeds the Deductible Amount shown in the Schedule. We will then pay the amount of loss in excess of the Deductible Amount, up to the Limit of Insurance.

4. The following exclusions are added to Section **D. Exclusions**:

This Insuring Agreement does not cover:

- a. Loss, or that part of any loss, the proof of which as to its existence or amount is dependent upon:

- (1) An inventory computation; or

- (2) A profit and loss computation.

However, where you establish wholly apart from such computations that you have sustained a loss, then you may offer your inventory records and actual physical count of inventory in support of the amount of loss claimed.

- b. Loss resulting from trading, whether in your name or in a genuine or fictitious account.

- c. Loss resulting from the fraudulent or dishonest signing, issuing, cancelling or failing to cancel, a warehouse receipt or any papers connected with it.

5. Under Section **E. Conditions**:

- a. The **Additional Premises Or Employees** Condition does not apply to this Insuring Agreement.

- b. The Consolidation – Merger Or Acquisition Condition does not apply to this Insuring Agreement.

- c. Paragraph (1) of the **Duties In The Event Of Loss** Condition is replaced by the following:

- (1) Notify us as soon as possible.

- d. The Employee Benefit Plans Condition also applies to this Insuring Agreement. All references to Insuring Agreement **A.1.** are replaced by this Insuring Agreement.

e. The Termination As To Any Employee Condition is added:

This Insuring Agreement terminates as to any "employee":

(1) As soon as:

(a) You; or

(b) Any of your:

(i) Partners, "members", "managers", officers, directors, or trustees not in collusion with the "employee" (when coverage is written under the Commercial Crime Coverage Form, Commercial Crime Policy or the Employee Theft And Forgery Policy); or

(ii) Officials or employees authorized to manage, govern or control your "employees" not in collusion with the "employee" (when coverage is written under the Government Crime Coverage Form or Government Crime Policy);

learn of "theft" or any other dishonest act committed by the "employee" whether before or after becoming employed by you.

(2) On the date specified in a notice mailed to the first Named Insured. That date will be at least 30 days after the date of mailing.

We will mail or deliver our notice to the first Named Insured's last mailing address known to us. If notice is mailed, proof of mailing will be sufficient proof of notice.

6. Under Section F. Definitions:

a. The definition of "occurrence" is replaced by the following:

"Occurrence" means:

(1) An individual act;

(2) The combined total of all separate acts whether or not related; or

(3) A series of acts whether or not related;

committed by each "employee" acting alone or in collusion with other persons, during the Policy Period shown in the Declarations, before such Policy Period or both.

b. The definition of "employee" is replaced by the following:

"Employee" means:

(1) Any person named in the Schedule, if coverage applies on a Name Schedule basis; or

(2) Any person you engage to perform the duties of a position shown in the Schedule, if coverage applies on a Position Schedule basis.

Why are you interested in serving the County of Kankakee on this body?
I am presently in my 12th year as a BFPD trustee, having served as a firefighter/paramedic for 16 years prior to my 1986 appointment. I feel a strong loyalty to the fire service and am privileged to serve our community in this capacity.

What skills, abilities and specialized knowledge do you have that will assist this body?

- I have served as President of the BFPD Board of Trustees for the last 4 years.
- I am also serving as the President of the Kankakee County Fire Trustees Association (8 yrs)
- I am currently serving on the Board for College Church of the Nazarene as a Lay Elder
- I have just completed the first State Certification process for Fire Protection District Trustees. This is the first year for this program and is approved and taught via the Office of the State Fire Marshal.

Membership in organizations:

- Member - College Church of the Nazarene, Lay Elder (Church Board)

What experience do you have in exchanging your views with others and in appreciating and respecting the skills, abilities and knowledge of others?

The boards that I serve on and associations and affiliations with the Fire Service all require the "give-and-take ability" to use other people's money (taxed or donated) in a way that is beneficial to All. Serving with other qualified people has taught me to be a good listener and that all ideas should be respected, although ~~at~~ they may not all be able to be implemented.
